

Easy Programmer 
BAR CODE SHEET

HOW TO OPERATE THE BAR CODE ON THE HANDSET

1) Switch on the bar code handset

• Confirm that the LED on the bar code handset is on.

• If the LED is not on push the bar code button again.

2) Read the bar codes

(A)

(B)

Follow the steps (A) and (B) to read the bar codes in the following order;

CHANNEL ▶ DATE ▶ START TIME ▶ END TIME

3) Transfer the data to the VCR

• Transmission is possible when the VCR is in the stop mode or when the timer button is set to "on".
