MFGS VERSION
A

A black Amstrad ANB-386SX20 laptop is shown from a top-down perspective, closed. The laptop has a textured black finish. At the top, a dark grey carrying handle is visible, secured by two black plastic latches. A coiled cable is tucked into the handle on the left side. In the bottom-left corner of the lid, there is a small rectangular sticker with the Amstrad logo and the model number. The bottom edge of the laptop features several horizontal ridges.
