

GUARANTEE

To mark our confidence in your new **AMSTRAD** unit, which has been fully tested and inspected, it is guaranteed for a period of one year from the date of purchase or hire purchase against mechanical and electronic defects. Any defective part will be repaired or exchanged free of any charge to the purchaser.

An **AMSTRAD** product when properly used and cared for will give years of excellent performance and each purchaser should therefore carefully read the instruction manual as misuse or failure to follow the instructions makes the guarantee void. Amstrad Consumer Electronics are unable to accept responsibility under the guarantee for damage from repair work carried out by any other party during the period of guarantee.

If your **AMSTRAD** model should require any repair work during the guarantee period it should be returned to your dealer. Please keep your sales receipt for proof of purchase.
