**COMPACT FLOPPY DISC**

Double Sided ... For Single Sided Floppy Disc Drive

Please read these instructions carefully to ensure correct use of the Compact Floppy Disc.

### Precautions for Storage

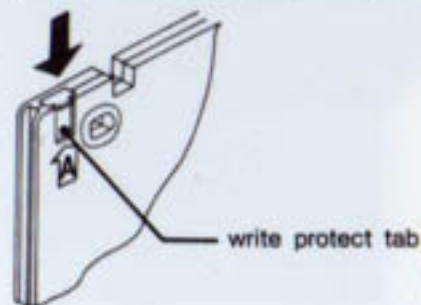

- Keep away from magnetised objects and places.
- Avoid places subject to high temperature, high humidity or direct sunlight. Do not leave discs in a car, subject to hot weather.
- Keep away from dust.

### How to Use

- Use this Compact Floppy Disc in a single head disc drive only. After finishing side 1, turn it over to use side 2.

### How to Preserve Recordings

- To make the recording of data impossible, push down the write protect tab.

Possible to record Impossible to record
