FREEDOM STICK

CAMERICA

# Freedom Stick™ will set you free.

## Freedom for parents.

Freedom Stick™ is the wireless remote joystick. Which means no more tripping over unsightly wires.

No more yanking the receiver (and everything near it) off the TV set in the heat of the action.

No more rearranging the furniture because the wires just won't reach.

No more sitting with your nose glued to the screen. Which means less eyestrain.

And that amounts to a lot more freedom from worry. For parents.

## Freedom for kids.

With Freedom Stick, you get the feel of an

arcade joystick. In fact, Jeff Peters, a member of the U.S. National Video Game Team says, "It'll improve your performance and score."

Freedom Stick could give you the freedom to get your best score ever.

In fact Freedom Stick could mean a lot more freedom for everyone.
