Hot®  
ERS...

A close-up view of the control panel of a Hot® joystick. The panel is black and features several controls:

- A blue rotary switch at the top with four positions labeled A, B, C, and D.
- Two blue horizontal toggle switches below the rotary switch. The left one is labeled "PLAYER 1" and the right one is labeled "PLAYER 2".
- Two blue horizontal toggle switches below the previous ones. The left one is labeled "AUTOFIRE" and the right one is labeled "OFF AUTO".
- Two large red buttons at the bottom, separated by a vertical line. The left button is labeled "B" and the right button is labeled "A".

The text "Hot®" and "ERS..." is visible on the left side of the joystick's housing.

## ONE YEAR LIMITED WARRANTY

**QUICKSHOT** warrants to the original consumer purchaser that your joystick is free from any defects in material or workmanship for a period of one year from the date of purchase. Within the warranty period, **QUICKSHOT** will repair or replace the unit free of charge.

This warranty does not apply to defects resulting from alteration or abuse of the unit.

Any applicable implied warranties, including warranties of merchantability and fitness, are hereby limited to one year from the date of purchase. Consequential or incidental damages resulting from a breach of any applicable expressed or implied warranties are hereby excluded. Some states do not allow limitations on how long implied warranties last and do not allow exclusion of incidental or consequential

damages, so the above limitations and exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which may vary from state to state.

After the one year warranty period, if your joystick requires service, **QUICKSHOT** will service the unit on receipt, postage paid, and all service expenses will be borne by the customer.
