COMMAND PERFORMANCE!

Select and Protect with **Game SeleX**™

Now all of your video game cartridges can be at your command with just the turn of a dial. Expand the one game cartridge capability of your Atari® or Sears® Video Arcade™ to nine games per **Game SeleX** unit.

Game SeleX eliminates wear on your game cartridges caused by constant changing of games and automatically shuts off between game selections.

Enjoy ease of selection and cartridge protection with **Game SeleX**, an attractive, durable, and affordable addition to your video game system.
