

A close-up photograph of a black rubber shoe sole. The sole features a series of parallel horizontal ridges for grip. The word "SPITZ" is embossed in a stylized font on the side of the sole. A small, dark circular mark is visible on the upper part of the sole. The sole is resting on a red surface, which appears to be a shoe insert or a container, with a black triangular section containing a white circular element. The background is a light-colored, textured surface.

SPITZ
