AMSTRAD

A red, textured rectangular box, possibly made of leather or a similar material. The box is oriented horizontally and slightly angled towards the viewer. On the front-left side, the text "Computing with the AMSTRAD" is embossed in a light color. The word "Computing" is in a serif font, "with the" is in a smaller, italicized serif font, and "AMSTRAD" is in a large, bold, sans-serif font. There are four small circular indentations or rivets on the front-left edge of the box.
