SORACOM

CPC INFOS LA FIN

Le marché de l'informatique bouge et les lecteurs de CPC Infos diminuent.

Une entreprise ne peut se permettre de travailler en négatif.

Le système de distribution français fait que seulement 50 % du prix hors taxes de la revue revient à l'éditeur !

J'ai donc décidé d'arrêter CPC Infos.

Toutefois, nous ne voulons pas abandonner nos amis Amstradistes, il fallait donc trouver une solution. Nous pensons avoir cette solution.

Nous pouvons remplacer CPC infos par " la lettre de CPC ". Cette lettre sera mensuelle, comprendrait une douzaine de pages, livrée uniquement par abonnement.

Son contenu ? Des listings bien sûr, mais aussi des articles d'initiation, des articles techniques, bref, un retour aux sources.

Nous espérons que vous serez nombreux à poursuivre avec nous cette passion de l'Amstrad.
