

Follow the furious action as Mr T Takes the battle to Morgul, then go away and do it yourself.
LEVEL ONE

TURRICAN

Run the steel gauntlet!

Gantry city!

Quietly does it.

Too late!

There must be a weak spot!

Almost there

Whoa! That was too close for comfort.

The challenge of the flying scarab.

OK Morgul, I'm coming down.

No contest fishface!

Get out of here fast!

Out of the frying pan
and into the fire?

There's nothing here!

Phew! Where did
they come from?

Beware the mesh!

Gotcha!

The ship explodes, the
mesh disintegrates and
Morgul awaits your final
charge. Read the final chilling
instalment next month!

The tower explodes, Morgul is defeated and the world is one better place without him. Thanks to Mr T!
