- W) YAMZEE
- X) CRAPS

Turn on monitor and disk drive. Turn on computer. Insert disk.

At 'ready' prompt, type: run "menu" and then press [enter].

Select game. Game will then load.

Discs are usually very reliable, when properly cared for, so there should be no problems loading the games. Always turn the computer OFF between loading each game, and turn it back on. DO NOT simply reset it by typing 'NEW', or by holding down the three keys needed to reset it.

### SIDE TWO

- A) THREE CARD BRAG
- B) TRUCKING
- C) RALLY 3000
- D) SITTING TARGET
- E) NEMESIS IV
