TM

Amstrad CPC Tape
conforms to National Curriculum

Part One: Prof plays a new game

Teaches a sight vocabulary to beginner readers

PLAY AND READ

The complete reading tutor

Give your children the advantage of learning to read early on and show them the pleasures of reading!

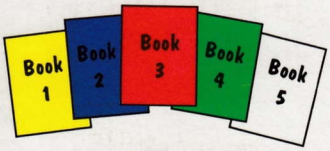

With 'Prof' it is easy and fun to learn to read. Part One teaches a sight vocabulary of 63 words and helps children to read the five books included in this package.

The words have been carefully chosen from wordlists recommended by educationalists, which make PLAY AND READ compatible with other children's books, including reading schemes.

No initial reading ability is required in Level one, Part one.

This package includes:

- **SOFTWARE** - The easy to use software is guaranteed to give your children hours of fun while learning to read a basic voacabulary of 63 words.
- **STORY CASSETTE** - Children can listen to the story while playing the first part of the software.
- **FIVE READING BOOKS**

They will be able to read the books without help and prove to you and themselves that learning to read is fun.

- **DETAILED INSTRUCTIONS** - Which will ensure that your children experience instant success with reading.

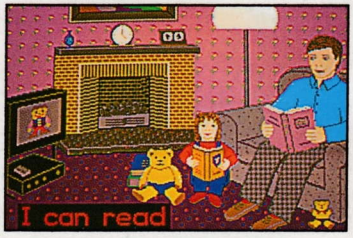

PLAY AND READ has been thoroughly tested in hundreds of schools with outstanding results. It is recommended by teachers and children all over the UK.

Also available: Part two: 'Prof looks at words', Prof takes a closer look at the words learned in Part one. Beginnings, endings, vowels, double letters and vowel combinations are covered.

Part three: 'Prof makes sentences', Prof helps with sentence making. **Part four: 'Prof hunts for words'**, Prof finds the words to complete the stories. Parts two, three and four only use words which have been taught in Part one.
